

Discussion & Application:

1. From the book of Titus, list some reasons why we should celebrate God's grace in our lives.
2. What role does God's grace play in each of the following areas:
 - Salvation
 - Sanctification
 - Glorification
 - Dedication
3. Why is being motivated by grace much more powerful than being motivated by legalism? What are some practical ways to remind yourself of God's grace in your life throughout each day?
4. How does understanding God's grace help you view unsaved (ungodly) people differently? How does grace help you stay motivated to share the gospel with them?
5. Ask the Lord of the harvest to continually send out laborers from The Bridge into the ripe harvest fields around us.
6. What new commitments will you make to fulfilling the Great Commission? How specifically will you engage in making disciples at The Bridge this year?
7. Take a moment to celebrate the sacrificial giving of your fellow church members at The Bridge toward the Capital Campaign. Give God praise for His provision. Ask for God's continued provision of grace, wisdom, and resources to carry out the Master Plan. Pray that we will never lose sight of our Mission as a church.
